PICTURES OF THE GOVERNORS OF NEW MEXICO

THEY WILL FORM PART OF THE
STATE'S EXHIBIT AT SAN
DIEGO FAIR

Santa Fe, N. M., Dec. 4.—Santa Fe people had opportunity this morning to inspect the first installment of portraits of the governors of New Mexico, military and civil, from 1846 to date, which will form a part of the state's historical exhibit at the Panama-California exposition in 1915.

The reproductions are of uniform size, 18x28 inches, in sepia and will make a most interesting and attractive feature. From an artistic standpoint they are unsurpassed. The work is by McClure of Denver.

In an interview with Colonel Twitchell, chairman of the board of managers, he said: "The idea of the board, in the making of the state exhibit, is to conserve every dollar of the appropriation. Ordinarily, after an exposition has been held, the several exhibits are practically wrecks and not worth maintaining. In our historical exhibit, we are endeavoring to install that which will be permanent, and which may be returned to New Mexico and form a part of the state's collection in the museum. Portraits of the governors of the state, from 1846 to date, will form the 'Corridor of Governors.' Later these will be hung in the museum at Santa Fe. A pronounced human interest is immediately developed with this character of exhibit. The collection will be exhibited in two sections—the military and the civil."

The portraits of the military governors include: General Stephen W. Kearney, General J. M. Washington, General E. V. Sumner and Colonel John Muir, General Canby and General James H. Carleton.

The civil governors are Charles Bent, Donaciano Vigil, John S. Calhoun, David Meriwether, William Carr Lane, Abraham Reicher, Henry Connolly, R. B. Mitchell, William A. Pile, Samuel B. Axell, Lew Wallace, Lionel A. Sheldon, Edmund G. Ross, L. Bradford Prince, William T. Thornton, Miguel A. Otero, Herbert J. Hagerman, George Curry, William J. Mills, and William C. McDonald.

The incidents connected with the careers of the earlier executives are of absorbing interest.

Another attractive feature of the historical section will be the "Landmarks of the Old Santa Fe Trail." These will consist of reproductions in plaster, scale one twentieth actual size, of the following: Old Fort Zarah, Fort Bent on the Arkansas, Dick Wootton's House, Red River station, the Maxwell mansion on the Cimarron, the Pecos Pueblo and church, Pigeon's stage station at Glorieta and the Old Fonda or Exchange hotel at Santa Fe.

The historical section will occupy two large rooms and a corridor and it is safe to say that there will be no exhibit at San Diego which will prove of such absorbing interest.

Governor W. C. McDonald will accompany General Herring to this city and will make a speech before the company and audience. At 9:30 o'clock a dance will start and will continue for the remainder of the evening. Admission to this dance will be free to all members of the company, while all others will be charged 50 cents. Admission to ladies will be free.

The local company requests that a large representation of Las Vegas people attend the inspection and dance.

How to Bankrupt the Doctors
A prominent New York physician says, "If it were not for the thin stocking and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effective and is pleasant and safe to take. TAXPAYERS HAVE FEW DAYS OF GRACE

THEY ARE ALLOWED A SHORT
TIME IN WHICH TO SEND IN
THEIR MONEY

Santa Fe, N. M., Dec. 4.—Taxpayers may have a leeway of from 20 to 30 days after the county assessor delivers the tax rolls to the treasurer and collector in which to pay their taxes without having to pay the penalty also, according to an opinion rendered by the attorney general's department at the request of Traveling Auditor Howell Ernest. Copies of the opinion are today being sent to the treasurers and collectors of the various counties. The opinion is as follows:

Hon. Howell Earnest,
Traveling Auditor,
Santa Fe, N. M.

Dear Sir:

In response to your oral request, I have considered the question as to whether taxpayers should be charged interest, in accordance with the terms of the statute, from the first day of December in those counties where the tax rolls have not reached the treasurer and ex-officio collector before that date.

It would be clearly unjust to charge that interest when the taxpayer has had no opportunity to pay and, of course, he cannot pay until the tax roll is in the collector's office. Under these circumstances, I believe it would be proper for you to recommend to each collector that, as soon as he receives the tax roll, he give public notice through the press that

Interest will be charged beginning upon a day not less than 20, nor more than 30 days thereafter, and that this fact be also stated in the notices which are customarily sent out to the taxpayers.

Yours very truly,
(Signed) FRANK W. CLANCY,
Attorney General.
